

# MARISA LEE

*your neighborhood Realtor*

Hi! I'm Marisa. I've lived in Northeast Minneapolis since I moved here from the Pacific NW in 2012, and my husband Kory and I have been in our little home on Johnson Street since 2017. I'm currently working through my fourth year in the real estate world, and I have absolutely found my happy place! For me, this career is a lot more than buying and selling; I am dedicated to equity, inclusion, and education as core values of my business. Every transaction and every person I interact with is an opportunity to learn, grow, and contribute to a better community. This is an incredibly personal business, and I am here to guide and support my clients every step of the way.

## I'M AVAILABLE TO HELP YOU...

- Evaluate the market value of your home and determine your equity - even if you're not planning on selling.
- Make homeownership possible! Let's talk about the great resources available to you as a first-time, first-generation, or minority homebuyer.
- Prepare your home to sell by demystifying the market, prioritizing your unique needs and putting your home's best foot forward.
- Explore your options for downsizing.
- Navigate possible short sale or foreclosure situations.
- Seek out real estate opportunities in Western Wisconsin where I am also licensed.

## I CAN ALSO...

- Recommend trusted contractors like handy-folks, plumbers and painters. I have a great list that I try to keep as independent and local as possible.
- Assess the potential value-add of improvements to your existing home.
- Locate other real estate referrals for you anywhere in the world!
- Connect you with resources to improve your home, such as low-interest loans, energy-efficiency programs and community grants (there's a lot out there).
- Point you in the right direction, even if it's not something I can help personally. I'm a networker through and through!
